You're mine and Edon will leave or die, Rey stated. A decade ago, 15-year old Cass Green was saved from certain death by two teenage werewolves. Now, after a lifetime of aching for the touch of fur on her face, she is hiking out into the wilderness, searching for the two Alphas who rescued her. All too quickly she finds them - Edon, a handsome and somewhat civilized Alpha and Rey, a dominant and wild brute. Both werewolves are absolutely gorgeous. Both dangerous. Both utterly overwhelming. They are Alphas of the Arctos Pack, sharing leadership... and everything else. They imprinted on her all those years ago and are willing to fight to the death for the chance to mate with the curvy girl who has wandered into their territory - starting right now! This book is a BBW Werewolf Shifter romance intended for readers 18+ who are comfortable with hot Alpha werewolves, menage romance and some hot scenes. This is a full story, approximately 300+ pages - NO CLIFFHANGERS.
