A funny and sexy standalone bear shifter romance! (HEA and no cliffhanger) Part four of the Completed Series. BBW, Lani Jacoby, has been gone for ten years. She is reckless, selfish, bitchy and the sister of the Hudson Crew alpha, Beckett, and the number two of the Crew, Ellis. She has returned to the life and home that she escaped from all of those years ago and is causing chaos wherever she goes. Werebear, Matteo Brown, has finally gotten his bear under control when Lani, the crazy woman that he bonded to a decade ago, returns to his camp. His emotions, and whole way of life, is thrown upside down as he has to deal with the heartache and desires that he successfully buried so long ago. It turns out that Lani isn't just back to create trouble. She wants something from the man that bonded to her. Will Matteo stand strong and kick her to the curb where she belongs? Or will he let his bear have his way and give her everything? Contains explicit love scenes and lots of dirty talk. Adult only BBW bear shifter romance.
