Warning: This box set collection is an interracial bwwm romance with a paranormal twist to it. Please only read if you are interested in themes such as shifters and werewolves. There are scenes of an Adult nature also. Agent Alpha Author Rosa Foxxe Q&A Session Q Congratulations on the huge success of Agent Alpha. Just what can new readers expect this series to be about? A Thanks. I have been amazed at how well it has done. Without giving the whole plot away, we are following the sexy adventures of FBI Agent Melinda Warren and her partner. Only twist is that her partner is actually a werewolf and ex-alpha of his pack. They are brought together in pursuit of dangerous fugitive and there is a hell of a lot of fun, excitement, adventure and romance in between! Q- So what inspired you to write a story with a werewolf FBI agent? A- I have to admit I originally just wanted to write a story involving a female FBI agent who gets involved with her sexy partner. Then I tried to think of ways to make it more original and this was the twist I came up with. I love watching cop shows

where there is strong chemistry between the male and female partners even though we never get to see the sex. So I wanted to do something similar. Q- Who do you feel the Agent Alpha series will appeal to most? A I really think this can be a cross over from fans of different genres. The paranormal romance fans will love the shifter aspect of it. The interracial fans will love the black woman white man aspect and the mystery suspense and thriller fans get treated also. Oh and lets not forget that those who love Erotica also get catered for in the books. So there is something for everyone.
