New York Times and USA Today bestselling author Opal Carew, writing as Amber Carew, brings you a story with a touch of magic... For some reason, Fate has been messing with Lucindas love life. By all known wizard lore, she should have bonded with her mentor Rand, but theres simply no chemistry between them. When she gets The Call, which shouldnt happen for her, she is faced with an incredibly sexy, entirely naked man in an alley in Paris. Getting The Call means she is supposed to be his mentor and his one true love. Clearly Fate thinks her life is a joke. Now she is stuck mentoring a man who is utterly domineering, overwhelmingly masculine, incredibly irresistible and, according to her most trusted friend, extremely dangerous. Story Length: 81,500 words Plus excerpts for Virgin Wanted, In Too Deep, and The Cinderella Obsession by Amber Carew and Blush, Hot Ride, and The Office Slave by Opal Carew. This book was formerly sold under the titles Virgin Wizard and Darkest Nyte. *** Lucinda had finally drifted into a fitful sleep. Sometime during the night, she felt a draft, then rolled sideways until she pressed against something warm. She snuggled against it, sighing happily. Too soon, light blazed against her eyelids and she scrunched them tighter together, hoping to block it out. Slowly, she drifted out of the slumber that cradled her, becoming aware of strong arms embracing her and her face resting against silken skin cushioning rock hard muscles. Something tickled her nose and she opened her eyes to see dark curls on a male chest. Her body stiffened. Good morning. The words were spoken softly but in a definite male voice. The voice of the sexy stranger shed discovered in Paris last night. I You She pulled against his embrace but to no avail. You shouldnt be here. Why not? The feel of his skin pressed the length of hers threw her senses way off balance. Well, its not

proper. No, that didnt come out right. I mean, I dont even know you. He kissed her forehead. Of course you do. We met a few hours ago. Thats not what I meant and you know it, she flared. She wiggled her arms between them and flattened her hands on his chest. His chest hair tickled her palms, but not in a way that made her want to laugh. The feel of it stimulated her senses to new heights. You cant tell me you dont want me here. He nuzzled her hair, sending sparks ricocheting through her. She wanted to push her hands against him, but her muscles refused to obey. I dont want you here. Her voice sounded weak. He grinned. Truthfully. His amusement annoyed her. Look, if were going to work together, well need to get a few things straight. Like, you dont invade my private space. Okay? Private space? Thats right. For instance, stay out of my bedroom!
