

Diamonds and Toads: A Modern Fairy Tale

Sugar and spice and everything nice...and, oh yes, naughty--times twice. Together, sweet Delilah and wicked Isadora make the perfect woman. But the Perrault family fairy is a troublemaker and imbues diamonds upon one sister and toads upon the other. Now up is down and down is up in a world where no good deed goes unpunished. Leather, blindfolds, and handcuffs purge sweet of all reserve. A few misspoken words of lust gives wicked a whole new meaning. Once upon a time, there were two sisters, one cursed and one blessed by fairy magic... Bibbidee-bobbidi-boo, Theyre naughty. How about you?
