

## Ruthless Perfection (The Rosa Legacy Book 1)

SHE MUST REVEAL HER INNERMOST THOUGHTS IF SHE HOPES TO CONVINCHE HIM... Isabel Neri grew up surrounded by stories from the marble quarries in Italy. Now that she is a filmmaker, she's fixated on producing a documentary to honor the old way of life. Needing access to a quarry in Carrara, she uses her family's connections to secure an interview with Marc Santoro. Instant attraction sparks between them, but her determination to produce the film drives regret and bitterness about the past into his soul. Marc Santoro is a highly regarded designer with a string of prestigious projects and a long list of clients. He refuses to dwell on his family's tragic past, and doesn't allow anyone to get close to him. Instead, he relentlessly moves forward to conquer new challenges. When Isabel comes to him with a proposal, he's reluctant to agree. But her tenacity and talent win him over. As their desire sparks out of control, Isabel is forced to come to terms with her own painful past, threatening their burgeoning relationship. \*\*\* Ruthless Perfection is the first book in a three-book series. Each book is a stand-alone category romance and tells the story of one of the Rosa cousins.
