

Where the Lady Belongs: A Bedford Street Brigade Story (A Short Story)

When former Scotland Yard investigator Mack Wallace agrees to guard the famed Koh-i-Noor Diamond during The Great Exhibition of 1851, he hardly expects to have to deal with a murder. But just days before the exhibit is scheduled to close, Her Majestys British Home Undersecretary is shot on Macks watch and the assassin escapes. Cora, the only eyewitness, may hold the key to solving the case. And when the lovely auburn-haired woman appears at his door that evening, Mack will risk everything to keep her safe. Immediately, he finds himself falling for the compassionate, gifted woman hes sworn to protect. Macks used to putting his life on the line for his job, but can Cora do the same with her heart? Laura Landons Where the Lady Belongs is an enthralling mystery about finding love under the most unexpected of circumstances.
