

Taming Rourke (Devereaux Billionaires Book 4)

Cali thought the handsome stranger who kissed her was nothing but a mistake. But it turns out he could be the biggest payday of her life. Cali has spent the last year of her life bending over backwards for the Devereaux brothers and she's had enough. But when she threatens to quit, she's given an offer she can't refuse: If she brings the third, estranged, Devereaux brother, Rourke, back to the family, she'll get a two million dollar reward. Rourke Devereaux vowed he'd never have anything to do with his family again, but it's hard to remember that vow when the sexy blonde he never thought he'd see again comes knocking on his doorstep. Even after he hauls her over his shoulder to carry her back to the car, she's not ready to give up. But as the two draw battle lines in his small, Maine coastal town, her old enemies pay them a visit. Now the one woman Rourke wanted to leave is under his protection and the longer he's with her, the more he realizes he doesn't want her going anywhere. Authors Note: This was previously book 7 in the Billionaires in the City Series (Taming The Boss). Since the last four books all focused on one family, I wanted to break up the series and make sure the Devereauxs really had their chance to shine.
