

## Target on Our Backs (Monster in His Eyes) (Volume 3)

The best way to keep your word is never to give it. Not long ago, in a chapel in Vegas, I swore to love Karissa for the rest of my days. But nobodys promised an infinite number of tomorrows. Nobodys promised forever. Sometimes, all we have left is today. Carpe Diem. Seize the day. It shouldve been over, we shouldve been happy, but people are making it hard for me to live in peace. Ive got so much blood on my hands theyll never be clean, and somebody out there seems to want me to pay for it. Happily Ever After always comes at a cost, one any real man would be willing to pay. But that doesnt mean Im just going to roll over and accept these consequences. Because when it comes to the woman I love? The life Ive fought for? Nobody is safe.
