

## Tattooed Emotions (Tattooed Billionaire Series Book 1)

Raelyn Jennings has survived the unthinkable. She's been given a second chance to live, to breathe, to feel. Her ability to overcome such a traumatic hurdle has created armor around her heart. But beyond her shield is fear, a consuming deep one, of the unknown. Raelyn vows to herself that she'll solely focus on the one constant in her life, her career as the CEO for a prestigious accounting firm. Damien Heathman's unrelenting determination has made him a powerful, respected man. He's sexy and confident and utterly breathtaking. His dominance and strength is evident in every purposeful stride, every meaningful look, and every soft caress.

Raelyn has worked with Damien's company, Heathman Enterprises, for many years, but they've never crossed paths until now. Damien's presence fills a room. He steals Raelyn's breath and sparks her broken heart back to life. Once Damien sets eyes on Raelyn, there is no turning back. He wants her, and he'll stop at nothing to have her. Not even the dark secrets hidden behind his tattoos will stand in his way. The chemistry is undeniable. The passion is palpable. Can Damien convince Raelyn that he is worth the risk? Or will Raelyn allow her past to control her future, feeling the chance of another heartache is too great to bear? \*This Contemporary Romance Novel contains Mature Content\* Alicia Rae loves to hear from readers! ~ Text RAE to 22828 to join her mailing list for upcoming releases ~ Instagram, Pinterest, or Twitter: @aliciaraeauthor ~ Facebook: [www.facebook.com/aliciaraeauthor](http://www.facebook.com/aliciaraeauthor) ~ Website: [www.aliciaraeauthor.com](http://www.aliciaraeauthor.com)
