

Tennessee Moon

A New York Times Bestselling Author Tall, quiet, and darkly handsome, Matt Ingram had shouldered more than his share of life's burdens. Besides working his farm in the Cumberland Gap and raising his little nephew, he had to keep a watchful eye on his womanizing wastrel of a stepbrother. And he knew he had his work cut out for him on the night the two men first saw their beautiful new neighbor. She appeared out of the mountain mists, looking more like an airy sprite than a flesh and blood woman. Matt's reaction was all too real. He longed to lose himself in Kaitlan's innocence. No matter what it took, he would protect Kaitlan from the careless seduction of his stepbrother, for this was the one woman whose bright spirit could light up his life.
