

## Blood Redemption (Blood Curse Series Book 5)

Discover the Extraordinary Storytelling Talents of Tessa Dawn, the #1 bestselling author of the Blood Curse Series, in her Dark Fantasy/Gothic Romance vampire legend: **BLOOD REDEMPTION.** (Quote by Midwest Book Review) Some souls are forged in fire. Some hearts are packed in ice. Some elements were never meant to be combined... **BLOOD REDEMPTION** ~ a journey of elemental darkness and primordial light. Saber Alexiars is no ordinary vampire. He is like a cruel, fire-breathing dragon. Reared in the bowels of the colony by Dark Ones, he has no conscience, no compassion, and no saving grace. Captured by the enemy, he is sentenced to execution by sunlight only to discover that his body will not burn -- he isn't who he thought he was. He was stolen at birth. He was reared by the wrong house. And the sunlight isn't going to kill him because he does have a soul. Vanya Demir is the very heart of goodness and light, an ancient female from a magical race, the progeny of humans and celestial deities before they were cursed by the Blood. With her deep-rooted sense of duty; naive upbringing; and tragic, personal history, she has unknowingly packed her heart in ice and dedicated her life to the service of the Vampyr. She is wholly unprepared to face a fire-breathing dragon. When their paths converge beneath a Serpens Blood Moon, they will each have thirty days to reconcile the irreconcilable, to confront the primordial darkness that threatens to destroy them both. Can a being lost in darkness for eight-hundred years ever find its way to the light? Can a heart that's been buried for as long as it can remember risk the ultimate in betrayal and damnation simply for the hope of **BLOOD REDEMPTION?**
