WARNING: There is a threesome in here, but the mysterious circumstances leading to it are not what you think. You will just have to read it to find out! Excerpt: Shannon turns. Lucien Walker, prominent member of Dolphins Bay, enters the reception area. His hair has been toweled dry, and every inch of him affirms the towering blond god that she thought he would be on the rain-soaked road. In fact, he is far more magnificent in the clear light of day. His eyes are a piercing blue. She is a woman of medium height, and he stands so tall that she has to crane her neck up to peer at his face. His family is obviously of

Scandinavian origin. They have emigrated years ago, as his North Western accent suggests, but his physical characteristics still bear his Viking roots. His shoulders are broad and he has a V-shaped waist in comparison. His body is strong and muscular under his dry white shirt, and she can see little blond hairs peeking out of his unbuttoned lapels. God, but he is staggering! Lucien says again, Its OK, Peter. I asked them to come here. I believe I owe this gentleman the conclusion of our argument on the road a little earlier. Peter seems worried. Uh, sir, your father would not like this - My father has nothing to do with this, Lucien snaps. To Jared, he says, You and I seem to have an argument about who cut who off on the road. How shall we settle this? Jared, Shannon warns. She eyes Lucien pleadingly. Please, we dont want any trouble. We are new here in this town. All the better to test the waters with the locals, eh? Lucien says. He sizes Jared up. Jared is a tall man, though not as tall as Lucien. But he is a good several inches taller than most men at six feet two. Jareds body is lean and hard due to his nightly activities. She remembers what she has seen Jared do before and her chest contracts with sudden fear for the blond man. So what do you say? Jared challenges. She can tell he is itching for a fight. How good are you at wrestling? Lucien laughs. Wrestling in the mud? Im afraid our weather does not allow for such proclivities. Im looking more at a contest of strength. Arm wrestling, if you will. At this, Jared grins. Shannon knows why. There is no better arm wrestler than Jared Bellamy in Tupelo, Nevada - from where they came from.
