

The Billionaire Wins the Game: Billionaire Bachelors

Joseph Anderson has decided it is time his three successful sons find brides. Joseph wants grandchildren to fill his huge mansion, and he wants them immediately. His eldest son Lucas is successful in all areas of his life except love, and Joseph begins matchmaking for his child. He finds Amy Harper and deems her the perfect daughter-in-law. He just needs to get her and Lucas to both realize they're made for each other. Lucas Anderson is wealthy, incredibly sexy, and stubborn. He has no desire to have any woman enter his life, causing chaos or using his family's name. Many women have tried, and he has been successful in finding out who they truly are underneath their false smiles. Amy Harper was raised in tragic circumstances and does not like pampered, rich men who have been handed everything with a silver spoon. She spent years finishing her education and was blessed to get a job with the famous Andersons Corporation. She instantly does not like her incredibly sexy boss who is arrogant and thinks every woman should fall at his feet. When Amy becomes pregnant after one reckless night of passion with her boss, she is scared he will take the baby and run. Lucas finds out she is pregnant and immediately demands to do the right thing, and though Amy is backed into a corner, she in no way allows him to walk all over her. Lucas is demanding, and used to getting his way, but Amy has just the right amount of spark to ignite his fuse, and challenges him each step of the way.
