

The Illusion of Certainty: A Modern Romance

The Illusion of Certainty follows two parallel storylines. Marc is a successful businessman who seems to have everything—a great job, a beautiful wife, a house in an upscale neighborhood of Portland, Oregon and two great kids who are preparing for college. But something is not right. Marc is unsettled by the sudden change in his wife, Aimee, who seems distant and unhappy. What is going on with her? The second storyline involves a successful young attorney Alexandra Mattson. Alex, as she is called by her friends, meets a handsome young cop, Sean, during an unexpected crisis in her neighborhood. Sean and Alex seem made for each other and begin to merge their futures in a world of uncertainty. The only certainty in life is that we will face uncertainty. Despite all of the technology and controls available in the modern world, sometimes the only comfort comes from the human touch.
