

## In Serenas Web (Hagen)

From New York Times bestselling author Kay Hooper comes this classic romantic tale of two men entangled in the nets of deadly temptation and one irresistible, ambitious woman caught in a trap of her own devising... At twenty-six, Serena Jameson is a handful brilliant, manipulative, and passionate, at least when it comes to righting the wrongs of the world. Her father, a renowned computer magnate, is worried about Serena's impetuous nature as well as a far more tangible threat and entrusts a colleague, handsome Brian Ashford, to ferry her on a trip across the country. But as usual, Serena has ideas of her own. A novice in affairs of the heart, Serena asks Brian to give her a crash course in seduction so that she can tame the notorious womanizer Joshua Long. But what starts as a simple lesson in love becomes a complex erotic dance, as both men find themselves caught in the snares of Serena's undeniable wiles. Is Serena trying to attract her declared target or her teacher? Who is really ensnaring whom? And can she finish weaving her web before the mysterious cabal eager to kill Serena's father manages to succeed over her dead body?
