

The Rush (The Siren Series Book 1)

A life not her own A future already decided.

Every facet of Ivy Pierces life is meticulously planned out and plotted. Cynical and jaded by sixteen, Ivys only hope is to escape the legacy she was born into. She has a plan, a carefully thought out, feasible plan. She just has to play by the rules until everything falls into place. Unfortunately as predictable as her life can be, she never sees Ryder Sutton coming. He tumbles into her life unimpressed and untouched by her and the life she lives. Hes an enigma to her. A gorgeous, frustrating, sincere mystery and a complete phenomenon in the ugly world she lives in.

What blooms between them is a fiercely intense attraction that cannot be ignored. Even though they would both be better off without each other Even if both their lives depend on staying apart.
