

Diamond of Deceit

Dead men dont rob banks Bank executive Emma Kingston was on vacation when the vault blew up. A man was killed and his identity strangely obliterated by acid. A kings ransom littered the floor around him but not a thing was stolen from the hundreds of safe deposit boxes. Insurance investigator Philip Rowlands proposed a chilling explanation for the bizarre break-in. After years of hunting down Coop, Emmas fiance, Philip claimed to have tracked him to the scene of the crime. Philip thinks Emma had something that had belonged to Coop and he wanted it back. But Coop had given Emma nothing but memories, and all those turned bitter two years ago when Coop was seen jumping from a bridge in an apparent suicide. Philip doesnt believe Coops dead, and Emma doesnt believe she can trust Philip. Will the new man in her life lead to solving the mysteries around her late fiance, or is he obsessed and simply another mistake she must avoid making?
