

Broken Moon - Part 3

April is ready to commit to what she wants, but before she takes the plunge into a relationship that will change her life forever, there is one last story left for her lover to tell; the story of how he lost everything. As his tale of leadership, lust, longing, and violence emerges, April finally begins to understand who Cyan is, and what this discovery may mean for their future together. But Cyan is not the only one with dark secrets to share.

UPDATE As of May 2014 I have condensed the serial down into five parts rather than nine, with each instalment now being roughly double the previous length. Happy reading! Part 3 of 5. 25840 words in length.
