

The Vampire Awakening Series Bundle

The first three books in the bestselling Vampire Awakenings Series. Book 1, *Awakened*. Traumatized by her past, and struggling to move on from it, Sera has spent the past three years of college hiding herself from the world and content to stay that way. A chance encounter with Liam shatters her sheltered world, leaving her stunned and shaken by the strange feelings and emotions he arises in her, feelings she never thought she would experience and that frighten her in their intensity. Harboring a dark and deadly secret of his own, Liam knows that he should stay away from Sera; that he will only bring her more hurt, but he is irresistibly drawn to her and unable to deny himself the pleasure that only she can bring to him. But when their pasts collide with their present, and Liam's true nature is revealed, will their love for each other be enough, or will they be torn apart forever? Book 2, *Destined*. Terrified of becoming mated like her parents, Isabelle has locked herself away in order to avoid their fate. She is content to stay sheltered amongst her family, hidden away as she lives out her days away from the human race, and the world. Despite her determination to remain alone, her world is rocked when a person from her parents' past arrives at their door, bringing with them the powerful, and stunning vampire Stefan. Though Stefan is not expecting to arrive at a nest full of vampires, he is immediately drawn to the vibrant, often defiant, and willful Isabelle. To his surprise, Isabelle does everything in her power to avoid him, and her desire for him. No matter how hard she tries to fight it though, Isabelle begins to realize that trying to deny her destiny may just destroy them both, as there are some things that cannot be stopped. But just as she begins to let her guard down, Stefan's dark and deadly past catches up to him and threatens to destroy them both. Book 3, *Untamed*. His entire life Ethan has been keeping his more violent urges a

secret from his family. They all think he is just antisocial, what they don't know is that every day he struggles not to give into his growing desire to kill. Looking to escape for just a little bit and hoping that a change of scenery will help him, he agrees to join Isabelle and Stefan in Bermuda. What he doesn't expect is for Emma to walk into his life and change it in ways that he'd never anticipated. Just when he finally begins to find some peace in his life, a dangerous threat from Emma's past arrives. Ethan is willing to do anything to keep Emma safe, even if it means giving into the brutal nature he's fought so hard to keep at bay. Giving in a little though, may mean giving in for forever, if he is unable to bring himself back from the darkness that has always enticed him.
