WORLD TAROT NETWORK REVIEW  
The Wheel of Destiny: The Tarot Reveals Your Master Plan I took this book out of the library because it had a beautiful cover with a picture of The World on the front. At first I ignored the book and had to renew it to read it. Once I began, however, it literally blew me away. It confirmed things I already knew about myself and explained others. Key is an appropriate word for each card of the Major Arcana, which unlocks a door of consciousness that leads to Light, greater wisdom and understanding. This is a very powerful spread and shows underlying causes (conscious or unconscious) that reveal patterns in need of transformation to promote spiritual growth, but also instill self confidence on the earthly plane. Ms. McLaine equates a Master Spread with the essence of a Life Reading. (Having just done mine, I can tell you it is serious and only needs to be done once in your life.) For those who work with the Qabalah, Ms. McLaine presents a well-done section that over-lays the Master Spread on the Tree of Life. I found this book easy to read with a great depth of understanding of Tarot and other systems. I was left with a feeling I had spoken with a very evol
