

## Chosen (Book Four of the Second Sight Series): A Psychic Romance

The Green Earth Commune isn't all that it seems. When psychic Isabelle de Grey arrives, only her ability to read the past reveals something is terribly amiss. Though her instincts tell her to run, Isabelle can't say no to a former friend in desperate need of help. But the turmoil has just begun when FBI profiler Gavin Mac MacMillan arrives unexpectedly in Los Angeles. As the passion that has always claimed them heats to beyond boiling, Mac and Isabelle find themselves at a crossroads. Tugged in different directions while confronting both past and future, they find that, when it comes to choice, desire is all that matters.
