

# Undercover Bear Portland: Logan (Secret Baby Paranormal Bear Shifter Romance)

Sometimes running is your only option. Bear shifter Logan is feeling the weight of being alone. A one-night stand with a feisty redhead seems to turn things around, until he wakes up the next morning and she's gone. Back to the grind of saving lives and beating bad guys, he knows something is missing. Maggie's family has abandoned her since she was trapped at United Hospital of Portland. They don't mix with humans and they think Maggie has betrayed them. But when Maggie discovers she's pregnant, who will come to her rescue? Months later Maggie and Logan are thrown together and must decide once and for all if they can make their relationship work. Family drama, a kidnapping, and a secret baby make dating hard. **STANDALONE** Shifter Romance with a HEA!
