

His Hearth (The Warder Series Book 1)

Julian Nash should be excited: he's just earned a huge promotion at work and is going out to celebrate. But his happiness fades when he discovers his date cheating on him an hour before. Suddenly alone when everyone knows he's supposed to have a plus one, Julian is set for a long night until longtime acquaintance Ryan Dean bails him out of the embarrassing situation. During dinner, they discover they have more than just friendship between them: there is mutual admiration and heated attraction. But getting to know Ryan better and finding a place in his life will bring Julian frightening surprises and supernatural danger he never expected or dreamed existed.
