

Hannah and the Highlander (Untamed Highlanders)

First in a brand-new series from New York Times bestselling author Sabrina York about the bold, brawny men of the Highlands-and the lovely lasses who bring them to their knees...Scotland 1813: Highlanders are her weakness. Hannah Dounreay has no time for suitors who only seem interested in her family's land, which she manages as well as any man. If she marries, she wants to be loved for the educated, independent woman she is. But when a strong, silent-and spectacularly handsome-Highlander saves her from a violent attack, her heart is stirred. Who is this man? And if he asks for Hannah's hand, will she be able to resist him? Love is the most powerful weapon of all. Alexander Lochlannach, Laird of Dunnet, has no time to lose. The Highlands are in an uproar as clans battle for land-without mercy-and Alexander can't afford to fall for the wildly attractive, strong-willed Hannah. What's more, he has a desperate secret, one that could destroy them both. But as their attraction turns into an all-consuming passion, Alexander has no choice but to prove to Hannah that he's the only man for her-body and soul...in Hannah and the Highlander.
