

Whiskey Island

Once a struggling community of Irish immigrants, Lake Eries Whiskey Island has a past as colorful as the patrons who frequent the Whiskey Island Saloon. A local gathering place for generations, the saloon is now run by the Donaghue sisters, whose lives and hearts have been shaped by family tragedy and a haunting mystery. When an act of violence sets the wheels of fate in motion, Megan Donaghue, a woman unwilling to trust in love, and Niccolo Andreani, a man unwilling to trust in himself, are determined to learn the truth about one fateful night in the family's long-forgotten past. As an old man struggles to protect a secret as old as Whiskey Island itself, a murder that still shadows too many lives is about to be solved with repercussions no one can predict.

Whiskey Island is an island in northern Lake Michigan, part of the Beaver Island archipelago. It is about 1/4 of a square mile (1.0 km².) in size. Although we first visited Whiskey Island three years ago. Now our first visit of the year is our official start of summer.
