*** STANDALONE SHORT NO CLIFFHANGER *** Alley Tompson gets vacation days, and she'll be damned if she's going to spend them on her couch, again, so she takes a road trip. When she pulls into a small town along the way, she isn't expecting much, except maybe the best burger around, but she finds a whole lot more from Kevin, the sexy, muscular man with stunning green eyes, to a pack of wolves who want to eat her. Alley's short stay in Bear Creek will change her life in more ways than she will realize. Kevin has always been a bear shifter. He loves it, but when wolves start to attack his hometown, he's going to use it to his advantage.
