

Without Restraint (Southern Shields)

The first novel in the explosive new Southern Shield series from New York Times bestselling author Angela Knight explores the intoxicating games between a female cop and a Navy SEAL and the killer instincts of a secret enemy watching every move they make. Atlanta deputy Alexis Rogers and Navy SEAL Frank Murphy know all about power and restraint, necessary force, and pushing their limits. When they meet in the darkness of a BDSM club, their skills are put to use. With each successive night comes a new adrenaline rush, and while they're falling into something perilously close to love, their games are still too private, too extreme, and too daring ever to be exposed. But their intimate lives are upended when a fellow deputy of Alex's is killed. It's not a tragic hazard of the job. It's cold-blooded murder. And he's not the last to be taken out. Now Alex and Frank have found themselves more vulnerable than ever and exposed to a killer with a twisted vendetta who turns desire into the most dangerous sensation of all.
